### Curricular Requirements

To obtain the Concentration in Technology Law, students must take at least 15 units of Core and Elective Courses. Students who complete the program with a GPA in concentration courses of 3.33 or higher will acquire a "Concentration in Technology Law and Entrepreneurship with Honors" designation on their transcript. Not all courses are offered every year, and students must meet all course prerequisites and requirements. This Concentration does not change any course prerequisites.

### Core Courses

Students must take at least eight (8) units of Core Courses. Additional units of core courses beyond the required eight (8) units may count toward the additional seven (7) units of elective courses required to complete the concentration.

### Elective Courses

To the extent that the required seven (7) units of Elective Courses are not satisfied by a student's taking additional Core Courses beyond the eight (8) required units of Core Courses, students must satisfy the requirement of at least seven (7) units of Elective Courses.

To get an active list of Core and Elective courses please check the Southwestern Website at <https://www.swlaw.edu/curriculum/technology-law-entrepreneurship-concentration>.
