Mexico City

Partnership

Southwestern believes in providing a quality legal education by participating in and promoting exchange programs with schools outside of the United States.

As a member of the North American Consortium on Legal Education (NACLE), Southwestern students have the opportunity to study abroad for a semester at a member school in Mexico or Canada for the same cost as tuition they would pay for classes on campus.

Grading system

The grading system is on a scale of 0 to 10; with 8 being the minimum passing score.

Accessibility of Facilities for People with Disabilities

Universidad Panamericana and Mexico City are limited in the facilities available for people with disabilities. Please contact the university for more information.

Many new buildings and public transport services in Mexico City have facilities for people with reduced mobility; however, provision of wheelchair ramps and lifts is uneven. Existing lifts in many buildings are very small and may not accommodate wheelchairs; many restaurants do not have accessible washrooms. Even though a building may be accessible, it should be noted that nearby pavement surfaces may be uneven, there may be embedded barriers on pavements, trees blocking access, potholes and even cars parked on pavements, blocking access for people in wheelchairs. Accessibility details are often not made available on a website, so it is advisable to call in advance when visiting an office, tourist attraction, shop or restaurant. However, many tourist attractions are likely to be accessible to some degree. Many businesses or organizations offer special services for people with special needs.
