Scheduled Review Date: March 2026 (President and Dean's Office)

A. Flexible Fridays and Early Release

Flexible Fridays is a program that provides most Southwestern employees with the option to telecommute most Fridays throughout the calendar year. Unless directed otherwise by Southwestern, employees may opt to work on campus on any Friday.

Flexible Fridays applies to non-faculty staff, although faculty who do not teach on Fridays may work remotely on Fridays. This Policy does not shift on-campus teaching to virtual teaching.

Each Friday throughout the calendar year, most Southwestern employees will have an early release, which allows those working the regular business day (9 a.m. to 6 p.m.) to end work at 4 p.m. on Fridays. Southwestern operations may require that some employees work a full or longer day on Friday. Exempt employees must continue to work the hours needed to fulfill their job responsibilities.

B. Summer 2025 Telecommuting Program

From May 27, 2025 through July 25, 2025, most Southwestern employees will have the option to telecommute on Mondays, Tuesdays, and Fridays. Most employees will work from campus on Wednesdays and Thursdays. Employees should consult with their supervisor to confirm scheduling expectations. Telecommuting agreements for employees who will telecommute at least one workday per week must be completed, signed, and returned to Human Resources no later than May 9, 2025.

Notwithstanding the above, student-facing offices are required to have staff available to support the SCALE orientation on June 16, 2025.

Unless directed otherwise by Southwestern, employees may elect to work on-campus during summer telecommuting days. If an employee elects to work on campus, they must email maintenance at campushelp@swlaw.edu and security at security@swlaw.edu so that Southwestern can take proper cleaning and safety measures. Employees in departments that will work on-campus during the summer telecommuting program (e.g., Law Library) do not have to notify maintenance and security.

C. 2025–2026 Telecommuting Program

From July 26, 2025 through May 22, 2026, most non-faculty staff will have the option to telecommute one day per week in addition to Flexible Fridays. However, with limited exceptions, all staff will work on campus on Wednesdays. Unless otherwise approved by the Dean or Chief Operating Officer, each department must be staffed in person Monday through Thursday each week, except during Winter Break. Most departments will be remote on Fridays.

Not all departments or employees may be able to telecommute due to the nature of their job and responsibilities. Early release, described in Section A, will continue on Fridays during 2025–2026.

Telecommuting agreements for employees who will telecommute at least one workday per week must be completed, signed, and returned to Human Resources no later than July 23, 2025. Telecommuting is subject to all requirements included in the Telecommuting and Remote Work Policy.

D. Policy Revisions

Southwestern reserves the right to change or modify any aspect of this policy and the related protocols at any time with or without prior notice. Southwestern reserves the right to discontinue telecommuting arrangements temporarily or indefinitely for specific employees and departments or for the entire law school if deemed by the Dean to be in the law school's best interest. Employees may be required to sign updated Telecommuting Agreements.
